**April 3, 2014**

**9:00 am - 12:00 pm**

**Bishop City Council Chambers**  
301 West Line Street  
Bishop, CA 39514

Registration Help: 916-322-3937 Option 1

The Air Resources Board has a regulation to reduce emissions from existing off-road diesel vehicles used in California in construction, mining, and other industries. The In-Use Off-Road Diesel Vehicle Regulation (Off-Road Regulation) requires fleet owners to report to ARB and label their off-road vehicles now, and then requires fleets to reduce the emissions from their older equipment beginning in 2014. This course provides detailed information to help fleet owners understand and comply with the Off-Road Regulation.

This course will cover:

- The applicability of the Off-Road Regulation;
- Requirements currently in effect;
- Future compliance deadlines including fleet emission requirements;
- Overview of the Diesel Off-Road Online Reporting System (DOORS).

Due to Limited Seating Attendees must Pre-register Online:
